From the desk of the Chief Executive Officer

This last quarter is my favorite. It is a time of reflection, being thankful, and giving to others. Our reflections are of the new and continued relationships through out the year. We would like to thank all our readers, participants at our workshops, organizations, associations, and churches that have partnered with ARIEL Connections for the empowerment of our people. As each day comes, we are thankful for the ability to share. My prayer is that each of us continues to put people first by: Accepting them where they are, being in Relationship with them, Investing time, energy, and money in them, Encouraging them, and Loving them. Together we become connected. ARIEL wants to hear from you. What can we do to assist you? Our gift to you is our knowledge and research abilities. We recognize that it is in the application of knowledge that counts. Send us your questions. You can use Email, US Mail, or just give us a phone call. We will get back to you. We value people.

Remember everyone does not have access to the web or desire to navigate on the web. Please share this newsletter and any information off the ARIEL web site and affiliate web sites with others. Comments are always welcome. Sincerely,

Brenda A. Jenkins

It is volume 1 Preparing for Legacy. This book is about you being the best you can be so you will: stand tall as a Lighthouse, Maintain your Health and Family relationships, and grow by becoming a Powerful Communicator.
